Nutty Dream Shake with Oats, Almond milk, Maple Cinnamon, Banana , Peanut butter .

Indulge in the creamy, velvety texture of this shake, enriched with the delightful flavors of maple, banana, and our yummysummy peanut butter. With each sip, you'll experience a harmonious blend of sweetness and nuttiness, leaving you feeling satisfied and nourished.

Ingredients

- 1/4 cup steel cut oats (cooked and cooled)
- 1 cup almond milk
- 1 tablespoon maple syrup (adjust to taste)
- 1/2 teaspoon ground cinnamon
- 1 ripe banana
- 2 tablespoon of yummy tummy peanut butter

For the Dressing

- Ice cubes (optional for a colder shake)
- Optional dressing: Honey

Instructions

Prepare the oats:

- Cook the steel cut oats according to package instructions and allow them to cool completely.

Blend:

- In a blender, combine the cooked oats, almond milk, maple syrup, ground cinnamon, ripe banana, and peanut butter.

Blend until smooth:

- Blend all the ingredients until you achieve a smooth consistency. If you prefer a colder shake, you can add a few ice cubes to the blender as well.

Taste and adjust:

- Taste the shake and adjust the sweetness by adding more maple syrup if desired.

Serve:

- Pour the protein shake into a glass and enjoy immediately.

Peanut Chocolate Shake with peanut butter, honey, Almond milk, cocoa powder.

This shake/smoothie harmonizes the rich flavors of peanut butter and chocolate with the creaminess of banana and almond milk, offering a decadent and satisfying treat. Enhanced with the delightful crunchiness of crushed peanuts, it's perfect for breakfast, as a post-workout snack, or whenever you're craving something deliciously sweet, filling, and texturally delightful.

Ingredients

- 1 banana
- 2 tablespoons creamy yummy tummy peanut butter
- 1 tablespoon cocoa powder
- 1 cup almond milk
- 1 teaspoon honey
- 2 tablespoons of Crushed yummytummy peanuts.

For the Dressing

- Optional dressing 1: Melted dark chocolate
- Optional dressing 2: Ice cubes (for a colder shake)

Instructions

1. Peel the banana and break it into chunks.
2. In a blender, combine the banana chunks, creamy peanut butter, cocoa powder, almond milk, and honey (if using).
3. If you prefer a colder shake, add a handful of ice cubes to the blender.
4. Blend all the ingredients until smooth and creamy, ensuring there are no chunks remaining.
5. Taste the shake and adjust the sweetness by adding more honey if desired.
6. Once the desired consistency and sweetness are achieved, pour the shake into glasses.
7. Optionally, garnish with a drizzle of melted chocolate or a sprinkle of cocoa powder for extra indulgence.
8. Serve immediately and enjoy your delicious Peanut Butter and Chocolate shake or smoothie!

3

Vegan Ice Cream Peanut Butter Shake with banana, peanut butter, plant-based milk, honey

This shake's packed with plant-based goodness, including the creamy texture of banana, the nutty richness of peanut butter, and the sweetness of dates. The addition of cacao nibs adds a delightful crunch and a hint of chocolate flavor, while the vanilla protein powder enhances the nutritional value. It's a satisfying and refreshing treat perfect for any time of the day!

Ingredients

- 1 ripe banana, frozen
- 2 tablespoons yummytummy peanut butter
- 1 cup almond milk (or any plant-based milk)
- 2 tablespoons of yummytummy honey
- 1 scoop vanilla vegan protein powder

For the Dressing (optional)

- 2-3 Medjool dates, pitted
- 1 tablespoon of crushed yummytummy peanuts or cacao nibs
- Ice cubes (for a colder shake)

Instructions

1. Prepare the banana:

- Peel a ripe banana, cut it into chunks, and freeze them in advance. This will help create a creamy texture for the shake.

2. Blend the ingredients

- In a blender, combine the frozen banana chunks, peanut butter, almond milk, pitted Medjool dates, cacao nibs, and vanilla vegan protein powder.

3. Ice cubes:

- If you prefer a colder shake, add a few ice cubes to the blender.

4. Blend until smooth:

- Blend all the ingredients until smooth and creamy, ensuring there are no chunks remaining.

5. Taste and adjust: :

- Taste the shake and adjust the sweetness by adding more dates if desired. You can also adjust the thickness by adding more almond milk if needed.

6. Serve:

- Once the shake is smooth and creamy, pour it into glasses.

7. Optional toppings:

- You can sprinkle additional cacao nibs or chopped nuts on top for extra texture and flavor.
